Win Student Resource Commons, Office of Accessibility and Academic Support

Dear Incoming Academy Student and Family,

Welcome to Bard Academy at Simon’s Rock! If you are a student or the parent of a student who has a documented disability, I encourage you to contact me before arriving to learn about disability services at Bard Academy and the process for accessing appropriate accommodations. It is particularly important to be in contact early if you plan to request alternative print materials for visual or print based disabilities (such as audio, digital or braille) so they can be ordered in advance. You can begin the process by completing The Notification of Need for Reasonable Accommodations Form and submitting it to my office.

As part of the Win Student Resource Commons (Win Commons) I am available to meet with all students and families who have questions or concerns about accessibility, academic support, or other related campus services. My office is in the Win Commons, located in the library atrium (next to the frog pond). All you need to do is call, email, or stop by my office if you're on campus, and we can set up a meeting.

My contact information is below. I look forward to meeting you.

Sincerely,

Jeannie
