Spring Semester Off to a Safe Start
Because of the ongoing COVID-19 pandemic, we are not able to offer in-person meetings during the spring semester. However, we are excited to announce that classes will begin meeting this week. As with the fall, the spring semester will be conducted primarily in-person, with some hybrid and remote options. Classes began meeting this week—now we're just waiting for the spring thaw!

Keep Simon's Rock Strong
A heartfelt thank you to everyone who contributed to Keep Simon's Rock Strong: A Spring Match Challenge, which concluded on December 31. We've received record-breaking support from our Simon's Rock community.
