

SAFE CAMPUS COMMUNITY: STAGES (2022 – 2023 AY)

All stages are contingent on favorable COVID statistics both on campus and in the broader region.

Students will arrive in Stage D and will remain in Stage D until 5 days after the last arrival group has arrived on campus.

Arrival Groups (includes both Residential and Day Students)

Student Leaders | New Students (International/Domestic) | Seniors | All Other Returning Students

Masking is required indoors except as noted under each stage, including Dining Hall, common areas, in classrooms, meetings, and at events.

On arrival students bring a negative rapid COVID test result and take one on campus	Stage E announced 5 days after last arrival group	Stage F announced based on campus/community statistics/input	Stage G announced based on campus/community statistics/input
