Prof. Dan Neilson '97 Discusses the New Administration

Join us for an interactive conversation with Dan H. Neilson '97, Simon's Rock faculty member, on Wednesday, January 20, from 6:15 to 7:00 p.m. EST. Dan will host an informal Zoom conversation about the Biden-Harris Administration, the inauguration, and challenges for the new political leadership. Neilson's previous research has focused on China's financial markets, on the evolution of the Federal Reserve, and on the structure of the global monetary system, and on the evolution of the Federal Reserve. Bring your thoughts and questions, and then stick around for the Alumni Meet-Up.

Special Inauguration Day-Themed Alumni Zoom Meet-Up

Join us for an informal Alumni Zoom Meet-Up from 7:00 to 9:00 p.m. EST. Angus Armstrong '84, co-founder of the non-profit, and members of the Simon's Rock community will be engaging in a virtual gathering where you can discuss your thoughts and questions. This event is designed to provide a pathbreaking educational experience. Your dollars help sustain our investment in a movement. Inspired by her tireless dedication to meeting the educational needs of younger students, we stand once again at a moment in social, cultural, and political history that demands an innovative vision for higher education, just as Betty Hall herself envisioned. Please visit this virtual gathering to share your thoughts and questions. For more information, contact advancement@simons-rock.edu.
