MONTSESRAT PROGRAM HEALTH HISTORY

Health Form Instructions

Every participant (student or non-student) is required to complete the Health Forms. Please be advised that leaving anything blank on these forms may delay your clearance to participate in the program.

About the Program: The Bard College at Simon’s Rock’s 4-week program, Tropical Ecology and Sustainability Studies, takes place on the Caribbean island of Montserrat. The program involves a great deal of physical activity including hiking over steep and uneven terrain and standing/snorkeling along the coast’s rocky and sandy beaches. Montserrat has a small medical clinic but serious situations are evacuated to the nearby island of Antigua (30-minute plane ride), which has a full-service hospital. For these reasons, each participant is asked to carefully consider their general fitness and physical and mental health in relation to the program.

CHANGE OF STATUS: You are responsible for notifying Bard College at Simon’s Rock immediately of any changes in your health history prior to your departure or while on the program.

Immunizations

The Centers for Disease Control and Prevention (cdc.gov) recommends that travelers be up-to-date on routine vaccinations and be current with Typhoid and Hepatitis A vaccines. Bard College at Simon’s Rock recommends that all participants going on the Montserrat program follow the CDC recommendations.

Immunizations can be administered at the Wellness Center at Bard College at Simon’s Rock for students with medical records already on file; call the Wellness Center to make an appointment. All other Program participants should make arrangements for these vaccinations with their health care provider or a travel clinic.

Let us know the status of these three immunizations and whether you plan to receive them prior to traveling to Montserrat. We ask that immunizations be complete by the end of Spring Break in March (March 9-24, 2019).

Please indicate which of these immunizations are current or your plans to receive the immunizations:

- Tetanus Date:
- Typhoid Date:
- Hepatitis A Date:

I have scheduled an appointment to receive these immunizations:

   At home with my primary care provider (when you call to schedule an appointment, be sure to let them know which immunizations you need so that they have them in stock before your appointment).

   At the Wellness Center on campus (call 528-7353 to schedule an appointment).

I am electing not to receive these immunizations.

The Zika virus is present on Montserrat. Please read the information about Zika available on the Centers for Disease Control and Prevention website. Zika poses health risks to certain populations and there is no immunization currently available. Webpage: https://wwwnc.cdc.gov/travel/page/zika-information
