

Tropical Ecology and Sustainability Studies on Montserrat

PROGRAM INFORMATION

Sunday, May 17 – Saturday, June 13, 2020

Curriculum

A four-credit course in sustainability and tropical ecology is embedded in this study abroad opportunity. The course consists of various modules in tropical ecology and sustainability (e.g., botany, fisheries, biogeography, ecotourism) and community service projects.

Applying

Eligibility requirements:

- Students who are current and continuing Simon's Rock or Bard students
- At least rising sophomores at the time of application
- Good academic, social, and financial standing

By March 1, 2020, submit: Statement of Interest Form 2020
 Trip Contract 2020
 Acknowledgement & Release Form

All participating students will receive credit through Simon's Rock and students from Bard College or outside institutions will need to transfer the credits to their own institution (for more details, see *Visiting Students* below).

Visiting Students

Students who participate from Bard College must complete the Simon's Rock Visiting Student form in order to enroll in the program and receive credit. There are no additional costs for the academic credits beyond the program cost.

To then transfer the credits to your own college, you will need to complete the Simon's Rock Transcript Request Form. When the course is complete, the Registrar's Office will send an official transcript to your college so that the credits are transferred to your academic record.

Program Costs:

The trip cost is \$4,000 per student, which includes four academic credits (issued by Simon's Rock), room and board in Montserrat, round-trip flight from a NYC area airport to Antigua, round-trip transportation from Antigua to Montserrat, round-trip transportation from Simon's Rock campus to the airport, and all required activities.

Students and their families are responsible for the following costs that are outside the above:

- Departure: Transportation costs to Simon's Rock campus or the departing airport
- Return: Transportation costs upon return, if not using the provided transportation to return to Simon's Rock
- Acquiring a current passport and all related fees

(continued next page)

- We recommend that students also purchase their own mask, snorkel, and fins (limited equipment is available to borrow from Simon's Rock)
- Spending money while on Montserrat (\$150 has been sufficient in the past)
- Vaccinations

Fee Schedule (to be charged to student accounts on this schedule):

- March 1: A nonrefundable deposit of \$500
- April 1: A payment of \$2000
- May 1: Final payment of \$1500

Scholarships

There is a limited number of Rodney Christopher scholarships available for Simon's Rock students with demonstrated high need. The application for these scholarships is March 27th.

Refund Schedule:

Refunds will be considered on a case-by-case basis, taking into account the expenses already paid and whether another student can take the place of the student who is withdrawing from the program.

Notice of Cancellation

In order to run, the program must have sufficient enrollment. The Program Director and Dean of Academic Affairs retain the right to cancel the program if there is insufficient enrollment. In the event of cancellation, a full refund will be given.

Vaccines & Medical Information

Once you are confirmed to participate in the program, you will be asked to disclose any medical conditions that are relevant for the program leaders to ensure your and the group's safety while abroad.

Vaccines

<http://wwwnc.cdc.gov/travel/destinations/traveler/none/montserrat>

The Center for Disease Control currently recommend travelers have the Hepatitis A and Typhoid vaccines so we are requiring these shots for this program. In addition, we require all participants to have a current tetanus shot.

Send proof of these vaccines to:

MONTSERRAT PROGRAM HEALTH HISTORY

Health Form Instructions

Every participant (student or non-student) is required to complete the Health Forms. Please be advised that leaving anything blank on these forms may delay your clearance to participate in the program.

About the Program: The Bard College at Simon's Rock's 4-week program, Tropical Ecology and Sustainability Studies, takes place on the Caribbean island of Montserrat. The program involves a great deal of physical activity including hiking over steep and uneven terrain and standing/snorkeling along the coast's rocky and sandy beaches. Montserrat has a small medical clinic but serious situations are evacuated to the nearby island of Antigua (30-minute plane ride), which has a full-service hospital. For these reasons, each participant is asked to carefully consider their general fitness and physical and mental health in relation to the program.

CHANGE OF STATUS: You are responsible for notifying Bard College at Simon's Rock immediately of any changes in your health history prior to your departure or while on the program.

Please mail or fax completed forms to:

Authorization to Release Health Records and Permission for Emergency Medical Treatment

Please complete and sign the following:

As a participant in the Bard College at Simon's Rock Tropical Studies Program in Montserrat, I, [print name legibly] _____, hereby authorize the Campus Physician at Bard College at Simon's Rock, together with any other physician or medical provider who has provided information to Bard College at Simon's Rock in connection with my participation in the Program, to release any or all health records or information pertaining to me to Bard College at Simon's Rock as necessary for my health and safety.

On rare occasions, an emergency requiring treatment in a hospital and/or surgery may develop. In most cases, administration of an anesthetic, treatment of an injury, or operation upon an individual cannot be done without consent of the patient. In order to prevent a dangerous delay in an emergency situation where Bard College at Simon's Rock is either unable to contact my parent or guardian, or if I am unconscious or otherwise unable to give you my consent, I hereby authorize Bard College at Simon's Rock's representative to secure whatever medical treatment is deemed necessary, including administration of an anesthetic and surgery.

I hereby verify that all of the information contained in this form is accurate and complete and acknowledge that any failure to provide accurate and complete information, including notification to Bard College at Simon's Rock of changes in my health affecting the accuracy or completeness of the information contained in this form, may result in my dismissal from the program. I agree to notify Bard College at Simon's Rock of any material changes in my health that occur prior to the start of the program or while on the program.

Immunizations

The Centers for Disease Control and Prevention (cdc.gov) recommends that travelers be up-to-date on routine vaccinations and be current with Typhoid and Hepatitis A vaccines. Bard College at Simon's Rock recommends that all participants going on the Montserrat program follow the CDC recommendations.

Immunizations can be administered at the Wellness Center at Bard College at Simon's Rock for students with medical records already on file; call the Wellness Center to make an appointment. All other Program participants should make arrangements for these vaccinations with their health care provider or a travel clinic.

Let us know the status of these three immunizations and whether you plan to receive them prior to traveling to Montserrat. We ask that immunizations be complete by the end of Spring Break in March.

Please indicate which of these immunizations are current or your plans to receive the immunizations:

Tetanus Date of vaccination:

Typhoid Date of vaccination:

Hepatitis A Date of vaccination:

I have scheduled an appointment to receive these immunizations:

At home with my primary care provider (when you call to schedule an appointment, be sure to let them know which immunizations you need so that they have them in stock before your appointment).

At the Wellness Center on campus (call 528-7353 to schedule an appointment).

I am electing not to receive these immunizations.

The Zika virus is present on Montserrat. Please read the information about Zika available on the Centers for Disease Control and Prevention website. Zika poses health risks to certain populations and there is no immunization currently available. Webpage: <https://wwwnc.cdc.gov/travel/page/zika-information>
